

Dear North Toronto Skating Club Families,

We hope that you are all staying healthy during these unusual and trying times. The Ontario Government has announced that schools will remain closed until at least May 4th. The City of Toronto announced on April 1st that non-essential businesses should remain closed for the next 12 weeks.

North Toronto Skating Club has decided it is in the best interest of our community to remain closed for the rest of the season. We are hopeful that things will stabilize in the next couple of months so that our summer school can proceed in July and August.

North Toronto Skating Club is a not for profit organization run by a volunteer board of club members. After assessing our financial reserves, we are pleased to be able to issue credit for missed sessions from March 23rd to May 14th, 2020. This credit will automatically be applied when you register in the fall season.

Credits will be added to your account starting April 15th. You will receive a revised invoice by email showing your credit. It may take us a few weeks to get to everyone so we ask for your patience.

Thank you so much for your understanding during this unusual time.

We hope you all stay healthy and we look forward to seeing you in the fall.

NTSC Board of Directors
