

Hello NT skating families,

In response to the Provincial announcement on January 3, 2022, North Toronto Skating Club will suspend CanSkate sessions starting Tuesday, January 4, 2022 and all other sessions starting Wednesday, January 5, 2022.

The prospective end date is January 26th and we will take our directions from the province and Toronto Public Health with respect to returning to the ice.

No payments have been taken for January as we delayed payment just in case.

We will keep all our members informed and hope to be allowed back at the rink again soon.

Please stay healthy and keep safe,

NTSC Board of Directors
